

Viacrete Colour Enhancer

PRODUCT DESCRIPTION:

Viacrete Colour Enhancer is a solvent-based, nano-impregnating treatment designed to enhance the appearance of textured natural stone surfaces by deepening and enriching their natural colour tones. It penetrates into the stone's surface, providing a wet-look finish while maintaining breathability. Ideal for both interior and exterior applications, it improves aesthetics, adds mild water repellency, and helps protect against light staining.

Technical Details

Property	Value
Appearance	Clear to pale yellow liquid
pH	8 – 10
Specific Gravity	~0.850
Drying Time	Surface dry in 2–5 hours
Full Cure	72 hours
Coverage	25–400 sq. ft. per litre*

Application Instructions

SURFACE PREPARATION:

- ✓ Remove loose particles, dust, oil, and cement residues.
- ✓ Clean the surface with water and allow it to dry completely.
- ✓ Always test the product on a small, inconspicuous area.

KEY FEATURES & BENEFITS

- ✓ Nano-Technology Formula: Deeply penetrates for long-lasting performance
- ✓ Enhances Natural Colour: Brings out the richness of dull or faded stones
- ✓ Weather Resistant: Suitable for exterior surfaces
- ✓ UV Stable: Won't yellow or fade over time
- ✓ Improves Surface Hardness: Reduces slipperiness on textured surfaces
- ✓ Easy Application & Maintenance

RECOMMENDED USES

- ✓ Interior & exterior wall and floor surfaces
- ✓ Flamed granite
- ✓ Tumbled marble
- ✓ Textured sandstone, limestone, slate, and quartzite
- ✓ Porous or absorbent natural stones

Application Instructions

APPLICATION METHOD

- ✓ Shake the container well before use.
- ✓ Apply uniformly using a clean white cloth, roller, or brush until the surface is visibly damp.
- ✓ Work in small sections (25–50 sq. ft. at a time).
- ✓ Allow it to absorb for 4–5 minutes.
- ✓ Wipe off excess using a clean, dry white cloth in a circular motion before the product dries.
- ✓ For enhanced depth or porous stones, a second coat may be applied after 6–12 hours.
- ✓ Allow the surface to remain free of water or stains for 72 hours post-application.

Viacrete Marble Cleaner

PACKAGING

Available in: 1 L, 5 L, and 20 L containers

SHELF LIFE & STORAGE

- ✔ Shelf Life: Minimum 2 years in original sealed container
- ✔ Storage Temperature: Between 10°C and 35°C
- ✔ Store away from sunlight, heat, and ignition sources

LIMITATIONS

- ✔ Not for use on polished or non-absorbent surfaces
- ✔ Avoid contact with metal, wood, and paintwork
- ✔ Do not allow the product to dry on the surface during the application
- ✔ Enhancer does not prevent acid etching or surface abrasion
- ✔ Reapplication may be required over time based on usage and exposure

SAFETY PRECAUTIONS

- ✔ Use gloves and safety goggles
Ensure adequate ventilation; avoid inhaling fumes
- ✔ Do not ingest; seek medical help if swallowed
- ✔ Do not smoke while applying; the product contains flammable solvents
